

## Quality Assurance, Compliance, and Audit Solution

### Meaningful, Measurable, Manageable.

Configurable options to assess organizational performance and comply with accreditation and regulatory standards.

### Streamline documentation review, reporting, and compliance activities via:

- Assessment of outcomes at the individual, program, and provider level.
- Real-time access for managers, administrators, and agency-authorized third party reviewers.
- Full audit trail of all activity including date/time stamp and electronic signature.
- Generation & validation of billing data directly from service documentation.
- Analytic Dashboards for Demographics, Incident Reports, Data-Driven Outcomes, Billing, & more.
